How to Submit Signatures:

- 1) Names should be signed with a black sharpie® marker only on 8.5" x 11" unlined white paper.
- 2) Provide as many names on one sheet as you can, in a random fashion (like you would see in a yearbook), without the names touching.
- 3) If provided electronically, the same requirements above would apply, except in place of sheets of paper you will have files (pdf, jpg, eps).
- 4) Signature printing option available on most printable items. See standard imprinting and setup charges per item and add \$47.06(w) flat art charge.

The Signature Printing Option - available on most items!

HOW IT ALL BEGAN...

Our challenge was to provide a solution to capturing **600 SIGNATURES**, that could not all fit on a t-shirt, for a high school graduating class. As a result a **BEACH TOWEL** was the **PERFECT SOLUTION**. It's **ONE SIZE FITS ALL** and offered a **LARGE IMPRINT AREA**.

The Signature Collection was born!
